

# For Accelerated Access to Specialty Expertise, Doctors Start With Summus

Unparalleled access to Summus' national network of leading specialists combined with its intuitive platform, allows primary care doctors, specialists, and other clinicians to make informed decisions to support patient care and control costs.

## Simple, fast, and designed for case complexity

Summus escalation workflows allow doctors to access specialist expertise quickly across the continuum of patient complexity, for any condition. Every interaction supports dynamic conversations to exchange ideas, gain insights, and determine the most appropriate treatment path for your patient.

### Escalation workflow

Within

<p><b>eConsultation</b> Asynchronous, text-based interactions for a streamlined question.</p>	<p><b>4 hours</b></p>
<p><b>Curbside Consultation</b> Synchronous interaction for more involved cases requiring a live, contextual discussion.</p>	<p><b>12-24 hours</b></p>
<p><b>Summus MD</b> Synchronous consultation for patients with Summus MD specializing in clinical guidance and navigation support.</p>	<p><b>4-24 hours</b></p>
<p><b>Expert Consultation</b> Synchronous consultation or remote written opinion for discussion and record review with a leading specialist.</p>	<p><b>24-72 hours</b></p>
<p><b>Personalized Provider Referrals</b> A curated list of providers for in-person care.</p>	<p><b>24-72 hours</b></p>

# The Summus difference

Using simple, elegant virtual healthcare technology, physicians and clinicians can integrate peer-to-peer communication into their practice—enhancing value-based care and direct primary care models.

- ▶ **Physician-first design** prioritizes ease of use to access specialist expertise
- ▶ **Curated network of 5,100+ specialists** from top medical institutions
- ▶ **Transparency into consulting physician** including provider biography
- ▶ **Specialty network customization** to meet the needs of any population
- ▶ **Ability to consult with the same specialist** for a given patient to provide continuity of care
- ▶ **Reduction in costly specialty referrals** with an average savings of up to \$550

*Summus experts are well-vetted and true experts. I can trust that they are up to date on the latest advances in medical breakthroughs and therapies.*
