

Access the Best Medical Insights & Expertise

By quickly connecting employees to trusted doctors, Summus empowers employees with clarity and insights that reduce medical cost, mitigate risk, and provide simplicity—across any health question, condition or diagnosis.

Better access. Better decisions. Better outcomes.

► **Offer highest quality medical expertise**

Leading doctors from more than 50 academic medical centers choose Summus. Our provider experience score ensures your employees connect to the right expert.

► **Engage every employee with personalized support**

Fast, personalized engagement strategies for employees and families across any health concern.

► **Deliver an elevated experience**

A dedicated Summus care coordinator supports your employee every step of the way. By streamlining your benefits ecosystem, we deliver a frictionless healthcare experience.
